

Ippus
Paper Straws
The Green way of drinking!

Argus Pack is a Greek company specializing in wrapping paper and paper bags. It is a member of the Antoniou Packaging Factories and it is located in the industrial area of Markopoulo, in privately owned facilities that exceed the 7,000m² of production and storage.

According to the new law of the European Union all plastic or biodegradable plastic straws and muddlers are abolished from every café, bars, restaurants, corporate events, advertisements and promotional events.

Argus Pack adheres the new law and its ecological philosophy and presents its new brand, Ippus Paper Straws, in Greece as well as its product collection by launching paper straws for HO.RE.CA market. All Ippus Paper Straws are qualitative and are available in different colors and patterns

Horse is the trademark of Ippus Paper Straws because its evolution as an animal over the years meets the goals, objectives and vision of our company. The Horse is a kind of animal which is interrelated with the environment and ecology as it was used by human beings through decades in different eco-friendly aspects of daily life.
